Appellant proceeding pro se

Oral Argument is Requested

February 3, 2025

Appellant respectfully files this motion to request this Court provide its orders, the record, and the IFP form in an enlarged font so she can read them, as she lives with dyslexia, as previously discussed with this Court's clerk and the District Court's Clerks. Appellant also requested this by email and phone in the months preceding this motion, but has yet to receive them, and the filing deadline is impending. Appellant also respectfully requests this Court issue an order that all parties provide pleadings and correspondence in enlarged font so that Appellant can read them, as is listed as an option upon request, and has been requested, on this Court's website.
